In order to ensure that all the standards are addressed in the 10-day plan, components from the skipped weeks will need to be integrated. The two critical areas that will need to be addressed are phonics and grammar. The following table offers guidance for integrating all phonics and grammar skills into the 10-day plan.

**Phonics/Word Study:** The table below indicates which week’s phonics/word study lessons you will use for each two-week cycle. All phonics/word study lessons are on Day 2, but they are taught on Day 3 & 8 in your 10-day plan.

**Grammar:** Grammar lessons are represented daily in Treasures. The table below indicates which week’s grammar lesson you will use during each two-week cycle. Explicit grammar instruction occurs on the 10-day plan on Days 2, 4, 6, 9 with day 10 being a review time. Grammar should be embedded into writing instruction on Days 1, 3, 5, 7, & 8.
